

How to Register Online:

Create an account at the tennis center (this can be done over the phone 206-684-4764).

They will give you a barcode and pin, the barcode is a unique identifier to each individual family member. **Note if you do this over the web, it can take 3-4 business days to get account created for security reasons.**

Once you have these two numbers you can sign up for classes online.

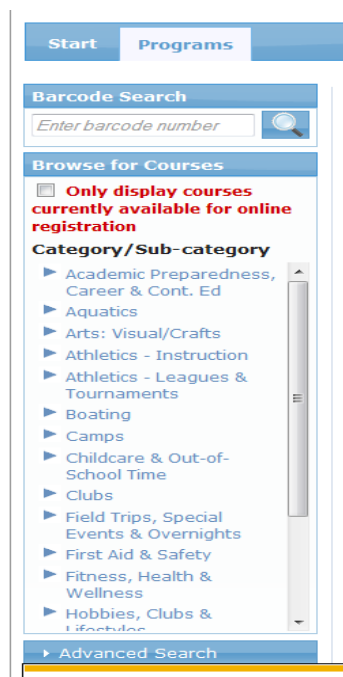

Click on SPARC on the Amy Yee page or click this link:

www.class.seattle.gov/parks/Start/Start.asp

Once here click "Programs" Tab
